Alma Mater	Darius D. Darling, President, Indiana Tech Alumni Board
Closing Remarks	Jack W. Philipot

CLASS OF 2024

COMMENCEMENT SPEAKER AND HONORARY DEGREE RECIPIENT DR. MICHELLE R. WEISE

This year's commencement speaker, Dr. Michelle Weise, is the author of *Long-Life Learning: Preparing for Jobs that Don't Even Exist Yet* (Wiley, 2021). Her book was awarded the 2021 Phillip E. Frandson Award for Literature by UPCEA (University Professional and Continuing Education Association), recognizing

the author and publisher of an outstanding work of continuing higher education literature. Thinkers50 named her one of 30 management and leadership thinkers in the world to watch in 2021.

Dr. Weise (pronounced W-ice) leads Rise & Design, an advisory service tailored for organizations seeking to design education and workforce strategies that will prepare working-age adults for the jobs of today and tomorrow. In this consulting role, she has worked with Indiana Tech's leadership, faculty and staff over the past two years, advising their work to develop strategies and tactics for the university to develop best-in-class student support services for students of all ages.

In the past, Dr. Weise has served as Vice Chancellor of Strategy and Innovation at National University System, and Senior Advisor at Imaginable Futures, a venture of The Omidyar Group. She was also the Chief Innovation Officer of Strada Education Network as well as of Southern New Hampshire University. With Clayton Christensen, she coauthored *Hire Education: Mastery,*

Modularization, and the Workforce Revolution (2014) while leading the higher education practice at Christensen's Institute for Disruptive Innovation.

Her service work includes advising BrightHive, a data collaboration platform, the Virginia Economic Development Partnership, the Institute for Higher Education Policy (IHEP), the SkillUp Coalition, Basta, Hitch, Bayes Impact, Clayton Christensen Institute Social Capital R&D Project, and World Education's Personal and Workplace Success Skills Library. She has also served as a commissioner for then-Massachusetts Governor Charlie Baker's Commission on Digital Innovation and Lifelong Learning, Harvard University's Task Force on Skills and Employability, and the American Academy of Arts and Sciences' Commission on the Future of Undergraduate Education.

Dr. Weise's commentaries on redesigning higher education and developing more innovative workforce and talent pipeline strategies have been featured in *The Economist*, *The Wall Street Journal*, *The New York Times*, *Harvard Business Review* and on PBS NewsHour.

Dr. Weise is a former Fulbright Scholar and a graduate of Harvard and Stanford.

CLASS OF 2024

**WELCOME TO THE
INDIANA TECH ALUMNI ASSOCIATION**

Congratulations on earning your Indiana Tech degree!

You've worked hard for this significant achievement, and everyone in the Warrior family is proud to welcome you to a group with a long and illustrious history: the Indiana Tech Alumni Association. As you take your next steps into a bright future, you'll find Tech alumni engaged in careers and communities across the country and worldwide. These fellow Warriors make up a network that provides lifelong support and friendship to one another, which, in turn, helps make Indiana Tech a strong and thriving university.

I encourage you to remain active in the Warrior community, whether by joining us for Homecoming 2024 celebrations on Oct. 4 and 5, volunteering your time and talents to help students, or attending alumni events. Keep in touch with all the news at Indiana Tech by frequenting alumni.indianatech.edu and following us on social media. I hope you'll keep us updated on all that is new with you in the years to come. The Office of Alumni Relations is your connection point for maintaining your relationship with Indiana Tech. In addition to our web and social media channels, you can reach me at alumni@indianatech.edu and 260.399.2837.

Again, congratulations, and remember that once a student, forever an alum!

Kristi Jarmus

Kristi Jarmus
Director of Alumni Relations

ALMA MATER

Hail to thee, our alma mater.

Hail to thee.

Each hand and every heart.

Our pledge will ever be.

Sing now together.

Sing her name out loud.

In joys and tears,

for coming years,

sing it strong and proud.

All hail Indiana Tech,

All hail to thee.

Original lyric and composition by: Meridith Willson

Revised lyric and composition by: Darius D. Darling

MISSION

Indiana Tech provides learners a professional education; prepares them for active participation, career advancement, and leadership in the global 21st century society; and motivates them toward a life of significance and worth.

OUR JUST CAUSE

We seek to empower every person in the world to increase their knowledge, build their skills, reach their fullest potential and positively impact their community.

CORE VALUES

Indiana Tech recognizes and adheres to the following core values:

- **Respect:** Treating all stakeholders fairly and equitably
- **Commitment:** Affirming an unceasing dedication to educating the whole learner
- **Honesty:** Demonstrating truthful behavior in an open environment
- **Passion:** Possessing a burning desire to fulfill our purpose, mission, and vision
- **Integrity:** Behaving consistently with mission and core values
- **Belonging:** Welcoming all to our community and encouraging all voices to be heard

The university's core purpose is to provide career-focused, professional programs of higher education.

OUR COMMITMENT TO DIVERSITY AND INCLUSION

Indiana Tech intentionally embraces diversity and equal opportunity. We are committed to the recruitment, engagement and retention of students, faculty and staff who represent a variety of identities, backgrounds, perspectives, and skills. We believe that diversity and inclusion among our entire campus community is critical to the education and advancement of our students in becoming global citizens.

BOARD OF TRUSTEES

Karl W. Einolf, Ph.D., President, Indiana Tech
Gregg C. Sengstack, Chair

*Vice President for
Academic Affairs*

CLASS OF 2024

CONGRATULATIONS GRADUATES

As an alum of Indiana Tech, you have free lifetime access to career guidance and job search assistance.

**Contact our Career Center to schedule an appointment. We're here to help you reach your career goals.
careercenter@indianatech.edu
260.422.5561, ext. 2217**

Stay connected. You've worked hard and now you're a graduate. Indiana Tech is proud to call you a Warrior, and we hope you continue to show your pride after you move on to the next part of your journey, wherever it may take you.

There are many free services provided to you as an Indiana Tech alumnus so be sure to stay connected to us! We need your new email and address.

As a 2024 graduate, you are automatically enrolled in the Alumni Association at no charge. You receive discounted membership to our Fitness Center, special invitations to alumni events, consideration for alumni awards, ongoing career planning and assistance and so much more! But, you can't receive any of this if we can't reach you.

Update your info at indianatech.edu/updateinfo to ensure you receive all the benefits available to you as an alum.

CLASS OF 2024

THE TRADITION OF ACADEMIC COMMENCEMENT

Graduate Degree Hoods

In antiquity, the first educational degrees were probably conferred at a general gathering of the student body. As early as 500 B.C., the medical school at Athens, Greece, for example, awarded inscribed lead plates at a formal degree-granting ceremony. Parchment diplomas eventually replaced lead plates, and graduates may have received degrees written on a sheepskin parchment as early as 848 A.D.

Master’s degrees and doctoral degrees were awarded by medieval European universities. The first recorded baccalaureate degree was given by the University of Paris in the 13th century. Originally, the degree was a license to teach.

In America, the colonists used the European universities as models for the schools which they founded, and European graduation traditions were adopted. The first American college was Harvard College, founded Oct. 28, 1636. The first Bachelor of Science degree was conferred by Wesleyan University (Connecticut) in 1838; the bachelor’s degree now is the standard American degree which signifies completion of a four-year degree program.

All degree candidates, college officials, faculty and dignitaries are attired in traditional medieval cap and gown. Black is the standard gown color; however, commencement participants are entitled to wear distinctive tassels on their caps or hoods of various colors over their gowns.

The colors allocated to the various fields of learning have been largely standardized in the United States by the Intercollegiate Bureau of Academic Costume, and accepted by the American Council on Education in its Academic Costume Code. The codified colors associated with Indiana Tech’s different academic disciplines are:

- Doctor of Philosophy in Global Leadership.....Royal Blue
- Master of Business AdministrationDrab
- Master of Science in Engineering Management Orange
- Master of Science in Global Health LeadershipDrab
- Master of Science in Information Systems Orange
- Master of Science in ManagementDrab

- Master of Science in Marketing.....Drab
- Master of Science in Organizational Leadership.....Drab
- Master of Science in Psychology..... Old Gold

Honor Cords

Indiana Tech recognizes three levels of outstanding academic achievement by undergraduates when a degree is earned. The level of distinction is indicated on transcripts. These students are wearing gold honor cords.

- ***Summa Cum Laude (with greatest honor) GPA of 3.90 and above
- **Magna Cum Laude (with great honor) GPA of 3.70 and above
- *Cum Laude (with honor) GPA of 3.50 and above

Alpha Chi Honor Society

Region V, Indiana Lambda, Chapter 279
Alpha Chi is a national coeducational academic honor society for all disciplines. Since 1922 its purpose has been to promote academic excellence and exemplary character among college and university students and to honor those who achieve such distinction. Membership is limited to the top 10 percent of juniors and seniors and requires confirmation by faculty. The Indiana Tech chapter began in 1986 and holds an induction ceremony for new members each fall. Honorees wear medallions with sapphire and green ribbon.

Military

Red, white and blue cords signify military service.

Cords, Medallions, Sashes, and Stoles

Many nationally recognized honor societies and student organizations designate academic achievement with cords, stoles, and/or medallions. For example, many international graduates are wearing stoles that represent the colors of their nation’s flag.
